Subpart 1824—Publication and posting of notices

§ 1824.10 What is publication?

Publication means publishing a notice announcing an event or a proposed action in the FEDERAL REGISTER, a local newspaper of established character and general circulation in the vicinity of the land affected or other appropriate periodical. BLM's purpose in publishing or requiring the publication of such information is to advise you and other interested parties that some action will occur and that the public is invited either to participate or to comment.

§ 1824.11 How does BLM choose a newspaper in which to publish a notice?

BLM bases its choice of newspapers on their reputation and frequency and level of circulation in the vicinity of the public or private lands involved.

§ 1824.12 How many times must BLM publish a notice?

The number of times that BLM will publish or cause to be published a notice depends on the publication requirements for the particular action involved. You should see the applicable law and the regulations governing specific BLM resource programs for information on the requirements for publication for a particular action.

§ 1824.13 Who pays for publication?

The cost of publication is the responsibility of the claimant or applicant.

§ 1824.14 Does the claimant or applicant pay for an error by the printer of the paper in which the notice appears?

No. The claimant or applicant is not responsible for costs involved in correcting an error by the printer.

§ 1824.15 What does it mean to post a notice?

Posting a notice is similar to publishing a notice except that the notice

is displayed at the appropriate BLM office, local courthouse or similar prominent local government building or on a prominent fixture such as a building, tree or post located on the particular public lands involved.

§ 1824.16 Why must I post a notice?

The posting of a notice informs those persons who may be interested in the lands or resources described, who have relevant information to provide, or who may wish to oppose the proposal.

§ 1824.17 If I must post a notice on the land, what are the requirements?

The posted notice must be visible throughout the time period for posting specified in the regulations governing the relevant program. BLM or its regulations may require additional posting, such as in a post office or city hall. For any additional posting requirements, you should see applicable Federal and State law, the regulations of the particular BLM resource program and any additional BLM requirements associated with your application.

Subpart 1825—Relinquishments

§ 1825.10 If I relinquish my interest (such as a claim or lease) in public lands, am I relieved of all further responsibility associated with that interest?

No. You are still responsible for fulfilling any regulatory, statutory, lease, permit and other contractual obligations that apply, such as performance of reclamation and payment of rentals accruing before the time of relinquishment. You should see the regulations relating to the specific BLM resource program involved for more detailed information.

§ 1825.11 When are relinquishments effective?

Generally, BLM considers a relinquishment to be effective when it is received, along with any required fee, in the BLM office having jurisdiction of the lands being relinquished. However, the specific program regulations govern effectiveness of relinquishments.
